

Northwind HOA Committee on Keeping of Poultry

Recommendations

1. Let your immediate neighbors know of your intention to keep poultry and address any concerns they may have.
2. Roosters are not to be allowed.
3. Fowl should be kept in a coop no less than 150 feet away from any dwelling other than that of the owner.
4. No more than 8 hens should be kept on any lot.
5. Birds are not to be slaughtered for consumption or other purposes on property.
6. Birds are not to be raised for sale.
7. Coops shall be maintained in a sanitary manner as much as possible, removing waste regularly.
